

Children's Beading Parties: Beadazzled offers fun, creative, and instructive parties for children. The party will run 2 hours long, and children will design and create either a necklace or a bracelet. The party costs \$20 per child (no materials included.) Set your own budget for the party and let your child's imagination run free! The party fee includes a Beadazzled instructor and use of the store facility and tools during the party. Parties will be scheduled during store hours and are subject to instructor and space availability. The party is recommended for children 8 years of age and up. Instruction and beading assistance is provided for 4-10 children. Upon completion of the jewelry portion of your party, we recommend a trip to Sweet Frog next door for a sweet birthday treat!

Adult Beading Parties: Whether you are celebrating a birthday, work promotion, or simply desiring a creative and fun experience to share with friends, our adult parties are the perfect way to spend a day with your friends. There is a three-person minimum, so gather at least two of your closest pals to schedule a bead party. No prior beading experience is necessary. You will receive expert design advice and technical instruction from a Beadazzled teacher. The party will run 3 hours long, during which you will each design and complete a necklace and a pair of dangle earrings. Upon completion of the jewelry portion of your party, we suggest heading next door to Mad Fox Brewery for dinner and drinks! The party costs \$30 per adult (no materials included) and is designed to accommodate 4-6 students. Set your own budget for the party and let your imagination run free! The party fee includes a Beadazzled instructor and use of the store facility and tools during the party. Parties will be scheduled during store hours and are subject to instructor and space availability.

For all beading parties, we require a \$5 non-refundable deposit per student in order to reserve the party. The remaining amount due for the party must be paid 24 hours prior to the party. In order to accommodate the instructor and store's schedules, cancellations less than 24 hours in advance will result in the forfeit of the cost of the party.
